'All You Need Is Love' was sung by the Beatles on the first live global television link in 1967. It was written in response to a request that they come up with a song whose message could be understood by everyone.

When asked whether songs like *'Give Peace a Chance'* and *'Power to the People'* were propaganda songs, John Lennon answered, "Sure. So was *'All You Need Is Love'*."

I'm a revolutionary artist. My art is dedicated to change."
